WHAT IS OXFORD MEDICINE ONLINE?

Oxford Medicine Online is a platform hosting Oxford University Press’s prestigious medical publishing. Since its launch in 2009, Oxford Medicine Online has grown rapidly and today contains high-quality medical titles across more than 110 specialty and sub-specialty areas. Many of its titles, including the Oxford Textbook of Medicine, Oxford Handbook of Clinical Medicine, and The ESC Textbook of Cardiovascular Medicine, are recognized as essential titles for medical professionals. Oxford Medicine Online is proud to publish previous Nobel Prize winners, a number of whom contributed to The Oxford Textbook of Medicine.

**SERIES**

*Oxford Medicine Online* continues to grow through new series titles, which include:

### Oxford Medical Handbooks

The *Oxford Medical Handbooks* and *Oxford Specialist Handbooks* are market-leading series of pocket handbooks for a broad medical readership, designed to help readers find the information they need quickly. With over 200 handbooks, Oxford Medicine Online facilitates quick and efficient research within these authoritative works.

### Mayo Clinic Toolkit

The *Mayo Clinic Toolkit* provides essential revision and self-testing tools for Board Exam preparation. With a question bank of over 3,000 questions, this series provides fully cross-searchable enhanced online versions of the prestigious Mayo Clinic Scientific Press titles, such as the *Mayo Clinic Internal Medicine Board Review* (11 ed.).

### Oxford Medical Textbooks

Textbooks on *Oxford Medicine Online* are enhanced with enlargeable hi-resolution images, online-only updates, videos, and more. The *Oxford Textbook of Medicine* updates 4 times a year to ensure the most up-to-date information is in the hands of medical professionals.

### European Society of Cardiology

**Essential Resources for Cardiologists**

Produced in partnership with the European Society of Cardiology, this series offers online reference works covering all areas of cardiology, ranging from cardiovascular imaging, to preventive cardiology.

The flagship product, *ESC CardioMed*, is an exciting new encyclopaedic resource, expanded from the best-selling *The ESC Textbook of Cardiovascular Medicine*. In its new digital format, *ESC CardioMed* provides a thorough treatment of all aspects of cardiology, written by over 1000 of the world’s leading experts. It is richly illustrated, with over 350 videos, and is also linked to the ESC Clinical Practice Guidelines in the world’s number one cardiology journal, the *European Heart Journal*. It will be updated 3x a year.

### Other Series on Oxford Medicine Online

**Emergencies In...**
Rapid and reliable information on emergencies occurring in clinical practice.

**Oxford Medical Libraries**
Delivers advice applicable to the clinical setting by summarising up-to-date research.

**Oxford Desk References**
Current best practices and the latest evidence-based guidelines.

**Oxford Handbooks in Nursing**
Concise, practical, and expert advice covering all aspects of the nurse’s role.
